## **DETAILED ACTION**

### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Doughty (46,671) on October 19, 2004.

The application has been amended as follows:

Claim 1, line 2, insert ----acting as a dielectric of said mica capacitor---- after "mica film".

Claim 1, line 6, insert ----, and stablizes a resonant frequency of said IC card as a result of a low water absorption rate of said mica film---- after "provided".

### ***Allowable Subject Matter***

2. Claims 1-3 are allowed.
3. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or suggest, in the claimed combination, an IC card, comprising:  
a mica capacitor comprising a mica film acting as a dielectric of said mica capacitor, electrodes formed on both sides of said mica film, an antenna coil, and an IC chip;

wherein:

said mica film acts as a substrate on which said antenna coil and said IC chip are provided, and stabilizes a resonant frequency of said IC card as a result of a low water absorption rate of said mica film;

a first capacitor terminal is connected to a first terminal of said IC chip and is linked to a first terminal of said antenna coil; a second capacitor terminal is connected to a second terminal of said IC chip; and a third capacitor terminal is connected to a second terminal of said antenna coil; and said IC chip is mounted on said mica film inside of said antenna coil, such that said IC chip does not overlay said antenna coil.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
